

DR. S. Vohra
Geriatrician
Surrey Memorial Hospital

April 17, 2009

To Whom It May Concern:

I am pleased to write a letter of reference for Yung A. Le whom I have known since November 2006 when I first availed myself of his services for a sports-related, right shoulder injury. I found his services very helpful.

Yung Le began active practice in 1995. His demeanour is pleasant and professional and he is an excellent physiotherapist who holds the following qualifications:

BSc in Physical Therapy
University of British Columbia

Diploma in Intermediate Orthopaedic Manual and Manipulative Physiotherapy
Diploma in Advanced Orthopaedic Manual and Manipulative Physiotherapy
Canadian Physiotherapy Association

Certificate of Acupuncture
Acupuncture Foundation of Canada Institute. He began active practice in 1995.

I have referred several others to Yung Le and they have found his services extremely beneficial.

Yung Le is well versed in Manual and Manipulative Therapy and his Clinic offers a wide range of services, including.

Acupuncture/ Intramuscular Stimulation
Exercise Prescription
Sports Physiotherapy
Post-surgical Rehabilitation
Benign Paroxysmal positional Vertigo Assessment and Treatment
Post MVA Active Rehabilitation / Work Conditioning Program

I would strongly recommend that his services be considered if you have a complaint that may require any of the above services.

With respect, Dr.Sanjeev Vohra, MD,F
